OAKLAND doesn't intend to be in the second division of the Coast league for long. Outfielder Luther Cook and two pitchers have been purchased from the big show and the Oaks promise to be fighting for the top again very soon.

THANKSGIVING day is now suggested as the date for the Ful-ton-Willard pink tea. The final articles will not be signed until July I and Willard says that the circus season will not be over in time to permit him to fight Labor day.
